- Resolutions that are passed at the **BPOU Convention** are then forwarded to the **2018 Congressional District Convention** where they are voted on; a simple majority is required to pass.
- Resolutions that are passed at the **Congressional District Convention** will then be forwarded to the **2018 State Convention** where they are voted on; where once again a simple majority is required to pass.
- Resolutions that are passed at the **2018 State Convention** are incorporated into the **Standing Platform** of the **Republican Party of Minnesota**.

Because factory farms pose a serious threat to the health and well-being of rural communities;

Because these large-scale industrial operations push family farmers off the land and put independent producers out of business, causing local economies to suffer as more and more land is consolidated into fewer and fewer hands;

Because factory farms also pose numerous environmental hazards—such as water pollution, strong odors and toxic air emissions—that greatly impact the health of nearby residents;

Be it resolved that the Republican party of Minnesota supports the Minnesota Legislature enacting a moratorium on any new factory farm construction.
