What is a Green Zone? It's complicated!

A Green Zone is a community-based tool focused on healing, growth, and renewal in an area that historically experiences unfair exposure to health, environmental and economic injustices. The City of Minneapolis just designated the neighborhoods of Phillips and Cedar-Riverside as a Green Zone and now is the time to get involved in this justice seeking initiative. Your voice matters! Come thru!

**Dinner provided. Childcare available as needed.  
Please call if you need childcare by February 1st.
