GRAZING FIELD DAY

WITH FARMERS ADAM & AMANDA BEDTKE

IN PLAINVIEW, MN - 6 MILES EAST OF PLAINVIEW JOHN DEERE

SAT, JUL 13TH 1-3PM

ROTATIONAL GRAZING, SOIL HEALTH, PASTURE DIVERSITY,
AND SOIL BUILDING CROPPING ROTATIONS

The Bedtkes have an organic grazing dairy and have no-tilled and interseeded diverse cover crops into their corn, oat, and hay rotation. Soil health and profitability are key goals - they've never fertilized their corn and they are working to graze every acre of their farm every year.

Directions to the Bedtke Farm

The farm is located about half-way between Plainview and Weaver, on County Rd 41 (11418 County Rd 41, Plainview, MN). Approximately 6 miles east of the Plainview John Deere. Look for LSP signs.

Registration & Lunch Begin at 12:00PM

Rain or shine! Join us for a lunch of pulled pork sandwiches (pork from Hidden Streams Farm), 1919 Root Beer, and Organic Valley snacks. Free will offering requested.

Pasture Walk from 1-3PM

For all livestock farmers interested in pasture production, whether you are already grazing or just interested in getting started. Key topics include grazing cropland, rest periods, and soil fertility.

FREE, OPEN TO THE PUBLIC & FAMILY FRIENDLY- RSVP BY JULY 11TH
with LSP's Liana Nichols at 507-523-3366 or lnichols@landstewardshipproject.org

Landowners, land managers, and beginning farmers are invited for a supplementary orientation to grazing prior to the event. Contact LSP's Robin Moore at 320-269-2105 or rmoore@landstewardshipproject.org for more info or to RSVP.
