## 2020 Land Stewardship Project Soil Health and Grazing Online Field Season

### No-Till and Cover Crops with Farmer Rod Nelson August 14th, 1-2:30 pm

Rod has been no-till farming for the last 40 years near Chatfield, MN and has been recently incorporating cover crops. This spring he no-tilled corn into standing rye with success and will share his learning experiences and techniques over Zoom video conference. Join us 10 minutes before 1:00 pm for music and social time! Register at:

[landstewardshipproject.org/events/notillandcovers](https://landstewardshipproject.org/events/notillandcovers)

### Inter-seeding Covers, Grazing and 60" Corn

Sept. 10th, 10-11:30 am

Aaron Gillespie farms near Fountain, MN and raises conventional/organic row crops, small grains, cover crops, hay, canning peas and rotationally grazes beef. Aaron built his own inter-seeder to incorporate cover into his 30" and 60" corn and will share his learning experiences. Join us online 10 minutes prior to the event for music and social time. Register at:

[landstewardshipproject.org/events/interseed](https://landstewardshipproject.org/events/interseed)

### Compost Check-In Call September 24th, 7-8 p.m.,

Either phone call in or join us on Zoom for a chat about compost. This will be a group discussion format. We want to know if you built a composter, what model you used (Johnson-Su or turned pile), and what it looks like before we head into fall/winter. This is a great opportunity to learn more about composts, ask questions and to share your composting experience. Register at:

[landstewardshipproject.org/events/compost](https://landstewardshipproject.org/events/compost)

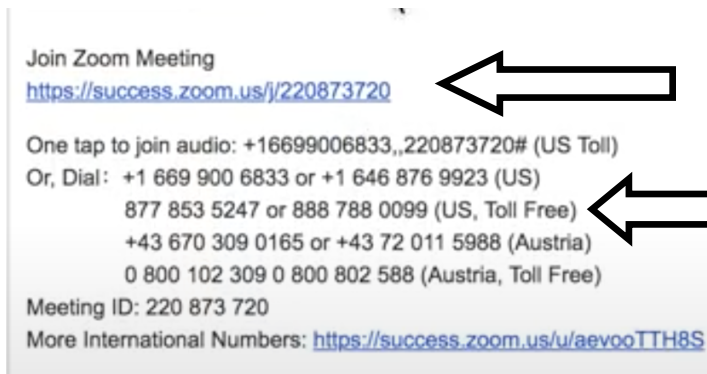

To register for any or all LSP events above and more, visit  
[landstewardshipproject.org/home/upcomingevents](https://landstewardshipproject.org/home/upcomingevents)  
Or contact LSP's Shona Snater at 507-458-0319

*Email reminders with event details and Zoom links will be sent out at least a week ahead of the event. Otherwise, check our LSP event page for information and event registration. See reverse for tips on using Zoom.*

Thank you very much  
to our sponsors...

# First Time Using Zoom Conference Call? No Worries. Here are some helpful steps to get on the Zoom call. You can always phone-in to listen too.

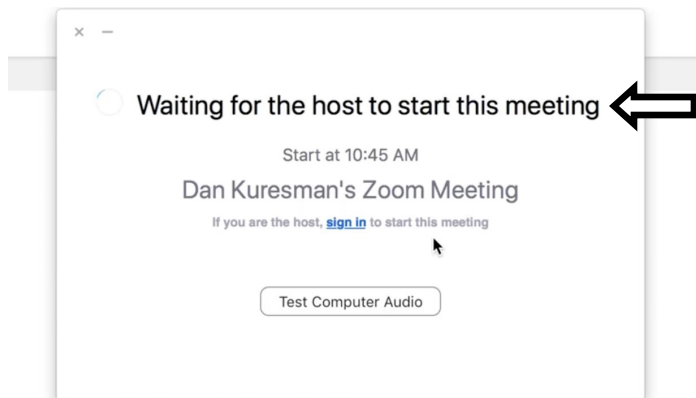

1. When you register for an LSP event, you will receive an email confirmation with a zoom link. This is the link you will need to access the call, so save this email! The call in number is pointed out by the second arrow, and again you will need to refer back to the sent email for the event phone number.

2. When you click the link, a web browser will open and you will be prompted to open zoom.us, click Open.

Launching...

3. After opening, you can either join the meeting, or if the meeting hasn't started yet, you will see this message. Be patient, the meeting will start soon! There will be more guidance on using the platform once you are on the call.
