

SOIL HEALTH FIELD DAY

at Tom Cotter's Farm

Sign up today for a get-together down on Tom Cotter's Farm! This field day brings together food companies, local farmers and other professionals in agriculture -- a perfect opportunity for **networking and discussion!**

Join us to hear from **soil health experts**, then board the **Topless Bus** to take a tour of Tom's farm.

We'll serve a **FREE TACO BAR LUNCH** featuring Tom's own grass-fed beef, along with authentic, homemade tortillas and rice!

FEATURED SPEAKERS

➤ **Dr. Kris Nichols**

Founder and principle scientist of KRIS (Knowledge for Regeneration and Innovation in Soils) Systems Education & Consultation

➤ **Joe Ailts**

*Crop consultant/agronomist
Owner of Ailts Agronomy*
